Original Charsiu

BAKED: \$2.35

Perfecting our Chun family recipe for our Baked Manapua bread took us 10 years and is a treasured secret. We are also proud of our charsiu filling, which we cook at high heat to add a bit of char and a unique flavor that can only come from a wok. Our Baked Manapua helped to put us on the map and continues to be an island favorite.

STEAMED: \$1.99

Steamed Manapua lovers argue that this product is better than our Baked Manapua. Probably because our pillowy soft steamed bread rivals that of our baked bread. Try one of each and you be the judge!
